"We are trying to build up extensive records which will be of value to a future historian..."

"It is highly important that the factual material be placed in our files in such a way that there can be no substantial distortion..."

"We want to keep enlarging on this idea for the sake of the full length history to come Bill W 1957 Attention all Area 78 groups-Archives needs your group story please fill out form below and submit to: crazymountainman@telus.net

There are many types of groups history's. From a simple page history of a group to a photograph compositor of the groups meeting and order of service to a pamphlet with a listing of all the places the group has existed in and how it has changed over the years. Below is a list of common questions your group may ask of their old timers to help put your group history together.

Where and when was the first meeting held? In date order, list where later meetings have been held. Include city, state, building, residence, church, clubhouse, etc. Did the group list with the General Service Office at the time the members first met?

What is the group's name? Have there been any changes to the group's name over the years?

What initiated the meeting: was it the offshoot of a parent group; was there a split due to disagreements; did a few A.A.s simply decide to start a hometown group, etc.

How did the founding members let the community know that a new A.A. meeting was forming? How many members attended the group's first meeting?

Describe member composition, for example, men only, women, young people, etc.

How did the group experience growth over the years? Are group inventories conducted regularly and have they been helpful?

Who were the early group officers? List, for example, GSR, Group Contact, Chair, Group Secretary, etc.

 • volunteers for the phoneoffice
 • chair meetings • corrections
 • help with monthly newsletter
 • speak at meetings
 Please call 587 377 1117 to volunteer

Central offices and general service area committees are complementary, rather than competitive, A.A. operations. They exist to help insure A.A. unity and to fulfill A.A.'s primary purpose of carrying the A.A. message to the alcoholic who still suffers.

In 1990 the General Service Conference stressed the importance of communication and recommended that delegates establish and maintain contact with offices in their areas to share Conference information and assure that Central/Intergroup offices have a voice in the Fellowship through their existing service structure.
