

AA New York has had to dip into their prudent reserve at this time and we (Central Office Red Deer) will use the donations given to us and pass them on at a set percentage. We are pleased to report some of the AA groups in our area have graciously contributed to New York. The other money we receive via literature sales will go towards our debt and helping the newcomers so any literature sales or medallions chips other AA items will go toward newcomers packages and helping the groups in need and New Yorks needs , all money is directed back to the newcomer so thank you all who support Central Office Red Deer, “where money and spirituality mix is in the basket, to contribute please etransfer to centraloffice@reddeeraa.org

Thank you *From “Self-Support: Where Money and Spirituality Mix.”
