For now I am looking for volunteer's to to help me out. We will putting on an amazing event. One to be remembered for years to come. If your looking for a way to get involved with service what better way than this opportunity. If this seems like something you would be interested in please contact

In addition I am looking for unique door prizes to give away at the event. I would like to stay away from company endorsements so as to keep with our traditions. If you have something that may fill that bill and would like to donate please get ahold of me at the above number.

Thank you all in advance for your commitment to service in furthering the message of and love the AA program

May the creator bless you all my brothers and sisters.
